

TAMMY LUNDSTROM, M.D., J.D.

ADDRESS

OFFICE:

4201 St. Antoine UHC 2B
Detroit, MI 48201
Telephone: (313) 745-2548
FAX: (313) 966-9898

EDUCATION

07/79 - 06/81 G.S. Degree, Mesabi Community College, Virginia, Minnesota
07/81 - 06/83 B.S. Degree in Biochemistry, College of Biological Sciences,
University of Minnesota, St. Paul, Minnesota
07/83 - 06/87 M.D. Degree, University of Minnesota, Minneapolis, Minnesota
and University of Minnesota, Duluth, Minnesota
08/01-12/04 J.D. Degree, School of Law
Wayne State University, Detroit, Michigan

TRAINING

07/87- 6/90 Residency (Internal Medicine), Wayne State University School of Medicine, Detroit Medical
Center, Detroit, Michigan
07/90 - 6/92 Fellowship (Infectious Diseases), Wayne State University School of Medicine, Detroit Medical
Center, Division of Infectious Diseases, Detroit, Michigan
11/92 CDC/SHEA/AHA Epidemiology Training Course
10/93 Harvard Medical School Epidemiology Training Course
1/96 CDC/California Department of Public Health 3rd Annual Epidemiology and Prevention of
Infectious Diseases: Emerging Pathogens
11/96 Institute for Healthcare Improvement
Improving Health Care through Clinical Epidemiology and Quality Improvement
Winter 2004 Civil Internship, Health Law U.S. Attorney's Office; Healthcare Fraud Division
Preceptor: James Mitzelfeld, AUSA, Detroit, Michigan

FACULTY APPOINTMENTS

7/92 – 08/06 Assistant Professor of Medicine, Division of Infectious Diseases
Wayne State University School of Medicine, Detroit, Michigan
7/92 - present Harper University Hospital, Detroit, MI, Medical Staff and Consultant in ID
7/92 - present Hutzel Women's Hospital, Detroit, MI, Medical Staff and Consultant in Infectious
Diseases
7/92 - present Detroit Receiving Hospital, Detroit, MI, Medical Staff and Consultant in Infectious

Diseases
7/92 - present Rehabilitation Institute of Michigan, Detroit, MI, Medical Staff and Consultant in Infectious Diseases
7/92 - present Children's Hospital of Michigan, Detroit, MI, Medical Staff and Consultant in Infectious Diseases
7/92-07/03 VA Medical Center, Consultant in Infectious Diseases
6/98 – 03/01 DMC Medical Director of Epidemiology
11/00-02/01 DMC Interim Deputy Chief Quality Officer
03/01- 06/05 Vice President, DMC Chief Quality and Safety Officer
06/05-present Senior Vice President, DMC Chief Quality and Safety Officer
08/06-present Associate Professor of Medicine, Division of Infectious Diseases
Wayne State University School of medicine, Detroit, Michigan
08/06-present Adjunct Professor, Wayne State University School of Law, Detroit, Michigan

HOSPITAL OR OTHER PROFESSIONAL APPOINTMENTS

HOSPITAL COMMITTEES:

7/94 - 6/97 Harper Hospital Research Committee
1995 QE/CRM Futile Treatment Team
2/96 - 2/97 Medicine Service Line Continuous Improvement Committee
11/96 - 12/96 Medicine Clinical Practice Guidelines for Cost-effective Patient Care Task Force
9/98 – 99 Interim Chair: Sinai Hospital Infection Control Committee
7/93 -12/99 Chair: Central Venous Catheter Committee
7/93 -12/99 Infectious Diseases Quality Assurance Committee
7/93 - present Infection Control Committee, Harper Hospital (Chair 1993-2001)
7/93 - present Chair: Infection Control Committee, Rehabilitation Institute of Michigan
6/96 – 1/01 Pharmacy and Therapeutics Committee, Harper Hospital
10/96 – 03/05 Medical Director: (Affiliated Internists) University Internal Medicine Specialists: Health and Safety Committee
6/98 – present Infection Control Committee, Children's Hospital of Michigan
6/98 – present Infection Control Committee, Hutzel Women's Hospital (combined with Harper 01/04)
6/98 – present Infection Control Committee, Sinai-Grace
6/98 – present Infection Control Committee, Huron Valley-Sinai
1/99 – 12/01 Leadership and Performance Improvement Committee, Rehab
1/99 – 12/01 Leadership and Performance Improvement Committee, Harper
1/99 –01/06 Environment of Care Committee, Central Region
1/00 – present Infection Control Committee, Detroit Receiving Hospital (Chair 2000-present)
7/00-10/01 Chair: Medication Safety Committee, Harper Hospital

DMC COMMITTEES:

7/93 - 4/95 Member: DMC Tuberculosis Advisory Committee
5/95 - 10/97 Chair: DMC Tuberculosis Advisory Committee
7/93 - 1996 DMC AIDS Committee
01/97 – 12/98 Chair: DMC Latex Task Force
8/97 – 1/99 Clinical Resource Management -Executive Leadership Team
3/98 - present Chair: DMC Infection Control Committee
3/98 – present Member: DMC Therapeutics and Pharmacy Committee
3/98 – present Member: DMC Antimicrobial P&T Subcommittee

3/98 – 12/04 Member: DMC Hematology/Oncology P&T Subcommittee
2/99 – 1/01 System Quality Council
10/99 – present DMC Safer Sharps Committee, Chair
10/99 – present DMC Medical Value Analysis Team
1/00 – present DMC Compliance Committee (Co-Chair 2004 – present)
1/00 – present DMC JCAHO Infection Control Functional Team
7/00 - present Chair: DMC Medication Safety Committee
11/00 - present Chair: DMC Medical Safety Subcommittee
1/01- present Chair: DMC System Quality-Medical Safety Council
3/01-present DMC Claims Committee
3/01-present DMC Medical Executive Committee
3/01-present DMC Joint Conference Committee
08/05-present Electronic Medical Record Steering Team

MAJOR PROFESSIONAL SOCIETIES:

Infectious Diseases Society of America
American Society for Microbiology
Michigan Infectious Diseases Society
International Immunocompromised Host Society, 1992-2004
Society for Healthcare Epidemiology of America, Fellow
American College of Physicians
Association for Professionals in Infection Control and Epidemiology
Michigan Society for Infection Control
American College of Physician Executives, 2001-2005
American Society for Quality, Healthcare Division
American Bar Association
Michigan Bar Association
American Academy of HIV Medicine
American Health Lawyers Association
American Society for Healthcare Risk Management

LICENSURE AND BOARD CERTIFICATION:

02/05 Michigan Bar Examination, pass; license #P68379
11/00 Board Re-certification, Infectious Diseases, ABIM, valid through 2012
11/00 Board Re-certification, Internal Medicine, ABIM, valid through 2010
11/92 Board certified, Infectious Diseases, ABIM
1990 Medical Licensure, State of Michigan, #4301051859
10/90 Board Certified, Internal Medicine, ABIM
1988 National Board of Medical Examiners, Part III
1987 National Board of Medical Examiners, Part II
1985 National Board of Medical Examiners, Part I

HONORS/AWARDS:

1980 Walter Scott Neff, M.D. Scholarship
1981 Damberg Scholarship
1985 Herbert Lampson Award for most outstanding second year medical student
1995 Bard UTI Research Award, Association for Professionals in Infection Control and Epidemiology National Meeting, Las Vegas, Nevada
1999 Wayne State University School of Medicine Teaching Award
2003 Silver Key Certificate – Wayne State University School of Law (GPA 3.68 – 3.89)
2003 Faculty Award – Wayne State University School of Law (Top student in Torts section)
2003 State Bar Negligence Council Award (Outstanding Academic Achievement in Torts)
08/03-12/04 Wayne State University Law Review – Assistant Editor
2004 Silver Key Certificate – Wayne State University School of Law (GPA 3.68 – 3.89)
2004 Cook, Goetz, Rogers and Lukey, P.C. Scholarship in Health Law (Outstanding Student in Health Law)
2005 Wayne State University School of Medicine Teaching Award
2005 WSU School of Law; Order of the Coif (Top 10% of Graduating Class)

SERVICE:

1. Patient Care

Supervise Internal Medicine Trainees and Medical Students during Infectious Diseases Consultation rotation.
Supervise Internal Medicine Trainees weekly in Infectious Diseases HIV clinic.
Mentor: Graduate student in Community Health Program: Community-acquired MRSA in 2005.
Mentor: Health Services Administration Bachelor's degree: Intern 2005

2. Professional consultation

a. Public Presentations as an expert in epidemiology

Newspaper and television interviews:

11/96	Interview: Channel 2 News: Antibacterial Soaps
12/96	Interview: CNN: Latex gloves and protection from bloodborne pathogens
2/11/97	Interview: Channel 4 News: Meningococcal meningitis
2/12/97	Interview: WWJ Radio: Meningitis
5/8/97	Interview: WWJ Radio: Nasal Spray for Influenza Vaccine
10/20/97	Interview: Channel 2 News: Campylobacter
3/97	Interview: Detroit News: Hantavirus
10/98	Interview: GDAHC: Antimicrobial Resistance
10/98	Interview: WWJ Radio: Pertussis
10/98	Interview: WYUR Radio: Pertussis
10/98	Interview: Channel 4 News: Food Safety
01/99	Interview: WWJ Radio: Listeria
07/99	Interview: WYUR Radio: Lyme Disease
08/99	Interview: WDTR Radio: Syphilis
08/99	Interview: WQBH Radio: Listeria
08/99	Interview: Michigan Chronicle Newspaper: Influenza
09/99	Interview: Onhealth.com: Infections from Environmental Surfaces
09/99	Interview: Monthly Update: ICP Report: HCW Exposures

09/99 Interview: WDTR Radio: Gram Positive Resistant Infections
10/99 Interview: Cannel 4 News: Viral Infections
02/00 National Health Science Television Network Interview: Patient and
Healthcare Worker Safety
08/00 Michigan Chronicle Article: Influenza
09/00 WDTR Radio Interview: Influenza
10/00 Rx for Health Care Article: Meningococcal Meningitis
12/00 Michigan Chronicle: Influenza
10/01 Interview: Channel 2 news: Bioterrorism
10/01 Media-Wide DMC Roundtable: Bioterrorism
11/01 WSU Bioterrorism Symposium
11/01 WJR Medical Hour: Influenza
12/01 Channel 7: Meningitis
12/01 Channel 4: Meningitis
12/01 Channel 2: Meningitis
11/02 Channels 2,4 and 62: Antimicrobial Resistance
02/03 Health Leaders Magazine–Interview –Quality: Infection Connection, pg.
19
04/04 WDET Radio Interview: Antibiotic Resistance
03/07 WDET Radio Interview: Influenza

b. Testimony before public bodies

06/00 Testified before US House of Representatives Committee on Education and the Workforce on behalf of American Hospital Association on "OSHA's Compliance Directive on Bloodborne Pathogens and the Prevention of Needlestick Injuries"
11/03 Testified before Michigan Senate Health Policy Committee on Antimicrobial Resistance on behalf of Michigan Antibiotic Resistance Reduction Coalition
11/04 Oral Testimony: Michigan Governor's Commission on Patient Safety, Southfield, Michigan
10/05 Oral Testimony: Food and Drug Administration: Non-prescription Drug Advisory Committee on behalf of the Association for Professionals in Infection Control and Epidemiology on Hand Hygiene and Alcohol-based waterless hand hygiene agents
03/06 Telephone Interview: Andrew L. Snowden, United States House of Representatives Committee on Energy and Commerce Oversight and Investigations Subcommittee on Healthcare associated infections

c. Consulting to public agencies, foundations, professional associations

1998 Research Merit Applications, Veterans Administration Medical Center, Reviewer
"Factors influencing methicillin-resistant *S. aureus* colonization"
10/01 Moderator: Patient Safety and Staffing
Partnership for Patient Safety; Patient Safety Symposium 2001, Dallas, Texas
05/02 Moderator: Computerized Physician Order Entry

Academy for Health Services Research and Policy; Fostering a Culture of Safety, Dearborn, Michigan

08/01 Agency for Healthcare Research and Quality (AHRQ)
Grant Reviewer: The Effect of Healthcare Working Conditions on the Quality of Care, Washington, DC

2002 Research Merit Applications, VAMC, Reviewer

12/03-present Advisory Committee on Infectious Diseases: Keystone Center for Patient Safety and Quality
Michigan Health and Hospital Association Health Foundation

2005 Agency for Healthcare Research and Quality (AHRQ)
Grant Reviewer – Partnerships in Improving Patient Safety, Rockville, MD

2006-present Healthcare Associated Infections Advisory Committee, Keystone Center for Patient Safety and Quality, Michigan Health and Hospital Association Health Foundation

d. Consulting to private enterprises

06/00-present Consultant (unpaid) Premier Safety Institute: Premier, Inc., Chicago, Illinois
Provide technical expertise to free, publicly available web site for patient and employee safety

3. Journal/Editorial Activity

1998 Infection Control and Hospital Epidemiology, Ad Hoc Reviewer
1998 American Journal of Infection Control, Ad Hoc Reviewer
1998 Mayo Clinic Proceedings, Ad Hoc Reviewer
1999 Journal of Outcomes Management, Ad Hoc Reviewer
1999 Mayo Clinic Proceedings, Ad Hoc Reviewer
1999 American Journal of Infection Control, Ad Hoc Reviewer
2000 American Journal of Infection Control, Ad Hoc Reviewer
2000 Infection Control and Hospital Epidemiology, Ad Hoc Reviewer
2000 Infection Control Advisory Network (ICAN), Reviewer
2001 CDC National Surveillance for Healthcare Worker Injuries, Workbook Reviewer
2000 Infection Control and Hospital Epidemiology, Ad Hoc Reviewer
2001 American Journal of Infection Control, Ad hoc Reviewer
2002 American Journal of Infection Control, Ad Hoc Reviewer
2002 Infection Control and Healthcare Epidemiology, Ad Hoc reviewer
2003 Briefings on Infection Control, Editorial Advisory Board
2004 Briefings on Infection Control, Editorial Advisory Board
2005 American Journal of Infection Control, Ad Hoc Reviewer
2005 Infection Control and Hospital Epidemiology, Ad Hoc Reviewer

4. Other Professionally related service

1996: Contributor to ABIM ID Re-certification Exam 1996
1997: Contributor to ABIM ID Re-certification Exam 1997
1998: Contributor to ABIM ID Re-certification Exam 1998
1999: Contributor to ABIM ID Re-certification Exam 1999
2000: Contributor to ABIM ID Re-certification Exam 2000
2001: Contributor to ABIM ID Re-certification Exam 2001

02/03 Senator Bill Frist Conference Call on Bioterrorism Preparedness

5. National/International Boards and Committees

a. Positions held in professional associations

4/99 – 4/02 Society for Healthcare Epidemiology of America – AIDS/TB Committee
1999 Society for Healthcare Epidemiology of America – Bioterrorism Task Force
5/00 – 6/02 Society for Healthcare Epidemiology of America - Healthcare Quality Special Interest Group
5/00 –6/01 Infectious Disease Society of America - Emerging Infections Committee
10/01-06/05 Scientific Review Committee: Association for Professionals in Infection Control and Epidemiology Research Board
01/ 02- 06/03 Association for Professionals in Infection Control and Epidemiology Year 2003 meeting planning committee
01/03- 06/04 Association for Professionals in Infection Control and Epidemiology Year 2004 meeting planning committee
01/04-06/05 Association for Professionals in Infection Control and Epidemiology Year 2005 meeting planning committee
01/05 – 06/06 Association for Professionals in Infection Control and Epidemiology Year 2006 meeting planning committee
10/05 – present Association for Professionals in Infection Control and Epidemiology Year 2007 meeting planning committee
06/04 – present American Society for Healthcare Risk Management: Governmental Advocacy Task Force
01/03-present Society for Healthcare Epidemiology of America Education Committee
Develops training materials and delivers lectures during Centers for Disease Control and Prevention/Society for Healthcare Epidemiology of America Training Course in Hospital Epidemiology held twice yearly to provide education for Infection Control Professionals and Infectious Disease Physicians interested in careers in Healthcare Epidemiology
2003-2007 Association for Professionals in Infection Control and Epidemiology Abstract Selection Committee
2007-2008 Society for Healthcare Epidemiology of America, Board of Trustees, Practice Counselor

b. Memberships/offices held in public agencies related to discipline

01/04 – 01/06 Joint Commission on Accreditation of Hospital Organizations (JCAHO): Hospital Standards Advisory Committee

- 02/04 – 06/04 National Foundation for Infectious Diseases: Influenza Advisory Panel, APIC Representative
- 01/04 Consensus Panel: National Foundation for Infectious Diseases. Improving Influenza Immunization in Healthcare Workers: APIC representative
- 07/04 First National Congress on Public Health Preparedness, Washington, D.C., representing Michigan Health and Hospital Association
- 02/05 – 2006 National Foundation for Infectious Diseases: Antimicrobial Resistance Advisory Panel, APIC Representative
- 02/05 – 2006 National Vaccine Advisory Committee: Health and Human Services Pandemic Influenza Working Group; APIC Representative
- 2005-present AMA – CDC National Influenza Vaccine Summit: APIC Representative
- 2005 Centers for Disease Control and Prevention: Office of Management and Budget (OMB) Peer Reviewer: Pandemic Influenza Plan
- 2006 Joint Commission on Accreditation of Healthcare Organizations: Professional and Technical Advisory Committee: American Society for Healthcare Risk Management Alternate Member
- 2006 National Quality Forum: Steering Team: National Consensus Standards for the Reporting of Healthcare-Associated Infection Data
- 2006 Society for Healthcare Epidemiology of America/ Association for Professionals in Infection Control and Epidemiology Task Force on MRSA Legislation
- 2006 National Institute of Occupational Safety and Health: Occupational Blood Exposure Workshop
- 2007 National Quality Forum: Additional Priorities for Hospital Quality Measures, Surgical and Anesthesia Technical Advisory Panel

6. State and local boards and committees

- 5/97 - present Michigan Society for Infection Control Resistant Organisms Task Force
- 7/97 - present Michigan Advisory Committee for the Elimination of Tuberculosis
- 3/98 - present Michigan Antibiotic Resistance Reduction Coalition
- 1998 Michigan Rabies Work Group
- 2/00 – 2/02 Governing Council Member, Michigan Antimicrobial Resistance Reduction Coalition
- 10/00 - 2006 Michigan Hospital Association Patient Safety Subcommittee
- 12/00 - present Michigan Hospital Association Quality, Compliance, and Patient Safety Committee
Chair: 6/01-6/02
- 12/00-12/04 MI Influenza Pandemic Planning Committee

12/00-12/04 MI Bioterrorism Medical Subcommittee
01/04 – present Michigan Department of Community Health: Border Health Committee; Legal Subcommittee
2007 Michigan Certificate of Need (CON) Commission, Standards Advisory Committee, open Heart Surgery
2007 Blue Cross Blue Shield of Michigan Participating Hospital Agreement Incentive Program, Technical Advisory group

TEACHING:

1. Years at Wayne State 15

2. Courses Taught at Wayne State

1996 - present Director: Epidemiology Training Course for ID Fellows
1994 - 97 Co-Director: Infectious Diseases - Pathology Autopsy Conference

2. Courses Taught at Wayne State (cont.)

1995 - 97 Director: Resident/student ID Case Presentation Conference
1995 - 97 Co-Director: Infectious Diseases Didactic Lecture Series
12/03 Interviewed by Dr. S. White for Graduate Program in Leadership for Women

1992-2000 Physical Diagnosis-YR II Medical Students
1992-1996 Infectious Diseases Core Curriculum-YR III Medical Students (Approach to the Immunocompromised Patient)
1993-2000 Infectious Diseases Tutorial Lecture Series-YR III and YR IV Medical Students, and Residents
1995-2000 Microbiology Laboratory Course- YR II Medical Students (Infectious Diseases Cases)
1996-2000 Microbiology Core- Infectious Diseases- YR II Medical Students (Infections of the Cardiovascular System)
1999–present Microbiology Core- Infectious Disease- YR II Medical Students (Healthcare Associated Infections and Patient Safety)
1999-2006 Bloodborne Pathogens Training: YR I, II, III and IV Medical Students, PGY-I Internal Medicine Residents, PGY I Surgery Residents, Incoming Internal Medicine Subspecialty Fellows, ED residents
Winter 2007 Healthcare Organization and Finance, WSU School of Law

GRANT SUPPORT

10/94-9/95 Rhone-Poulenc Rorer, Study JRV-301, Study of the Treatment of Infections Due to Vancomycin-Resistant Enterococcus faecium (V.R.E.F.) with Synercid, Co-PI, \$3,390.
5/96-4/98 Rhone-Poulenc Rorer, Study JRV-135, Phase III Population Pharmacokinetic Study for the Determination of Plasma Levels of Synercid in Treated Patients, Co-PI, \$13,500.
4/97-3/98 A Prospective, Multicenter, Double-Blind, Randomized Comparative Study to Evaluate the Safety, Tolerability, and Efficacy of L-749,345 Versus Ceftriaxone Sodium Plus Metronidazole

in the Treatment of Serious Complicated Intra-Abdominal Infections of Mild to Moderate Severity in Adults, Co-PI, \$42,246

- 5/02-04/04 Outcomes of ICU Working Conditions, Agency for Healthcare Research and Quality, PI, unfunded
- 8/04–present Implementation of Centers for Disease Control and Prevention Sharps Safety Workbook, \$500,000

INVITED LECTURES/PRESENTATIONS

1. National Meetings

- | | |
|-------|--|
| 5/98 | Opportunities in Infection Control
IDSA Clinical Affairs Fellow's Retreat, Scottsdale, Arizona |
| 4/99 | Cost Benefit Analysis of Epidemiology Programs
Society for Healthcare Epidemiology of America, San Francisco, California |
| 11/00 | The Epidemiology of Healthcare Errors
Patient Safety at the Clinical Interface, Discussion Panel: Lucian Leape, Tammy Lundstrom
Quality Interagency Coordination Task Force (QuIC), Rosemont, Illinois |
| 10/01 | Development of a Comprehensive Medical Safety Program at a Large Healthcare System in
Southeastern Michigan
Partnership Symposium 2001: Patient Safety-Stories of Success, Dallas, Texas |
| 4/02 | Patient Safety and Epidemiology
Pre-conference: Patient Safety, Society for Healthcare Epidemiology of America
Salt Lake City, Utah |
| 4/02 | Working Patient Safety into Your Infection Control Program
Meet-the-Professor, Society for Healthcare Epidemiology of America
Salt Lake City, Utah |
| 6/02 | Patient Safety, Pre-conference Breakfast
Institute for Healthcare Improvement, Salt Lake City, Utah |
| 04/03 | Vancomycin – Resistant Staphylococcus aureus – the Herald Case (Late Beaker Oral Abstract)
Society for Healthcare Epidemiology of America Thirteenth Annual Scientific Meeting
Arlington, Virginia |
| 06/03 | Viral Hemorrhagic Fevers
Association for Professionals in Infection Control and Epidemiology, San Antonio, Texas |
| 06/03 | Infection Control and Patient Safety
Association for Professionals in Infection Control and Epidemiology, San Antonio, Texas |
| 06/03 | Vancomycin – Resistant Staphylococcus aureus
Association for Professionals in Infection Control and Epidemiology, San Antonio, Texas |

- 06/03 Bloodborne Pathogens Expert Panel
 Association for Professionals in Infection Control and Epidemiology, San Antonio, Texas
- 09/03 Legal Issues in Infection Control
 American Society of Healthcare Risk Managers, Web Based Training Course
- 11/03 Influenza Vaccination: Outbreaks
 National Foundation for Infectious Diseases, Washington, DC
- 11/03 Maximizing Infection Control – Return on Investment: Infection Control Symposium
 Joint Commission Accreditation of Hospital Organizations, Chicago, Illinois
- 01/04 Keynote Address: Emerging Pathogens
 General Medicine Occupational Medicine Symposium, Palm Springs, California
- 02/04 Improving Employee Safety: Implementing a Sharps Safety Program
 Premier/CDC Audio conference, Web Based Training Course
- 04/04 ISO for Healthcare
 American Health and Hospital Association Teleconference, Detroit, MI
- 05/04 Preconference: Disclosure of Medical Errors
 National Patient Safety Foundation: American Society for Healthcare Risk Management
- 06/04 Preconference: Failure Modes and Effects Analysis
 Association for Professionals in Infection Control and Epidemiology, Phoenix, AZ
- 06/04 Disclosure of Infections Outcomes
 Association for Professionals in Infection Control and Epidemiology, Phoenix, AZ
- 08/04 The Role of the Patient Safety Officer in Infection Control
 Harvard Quality Colloquium: Preconference, Boston, MA
- 12/04 Association of Operating Room Nurses
 Infection Control in Ambulatory Care
- 02/05 United States Reality: Are There Liability Issues?
 Healthcare-Associated Infections: Realizing the Benefits of Mandatory Reporting
 APIC/CDC Mandatory Public Reporting Consensus Conference, Atlanta, Georgia
- 03/05 Hand Hygiene Panel
 Advanced Sterilization Products
 Current Issues in Infection Control, Disinfection, and Sterilization, Los Angeles, CA
- 06/05 Superbugs: Creating Havoc in the Transplant World

National Association of Transplant Coordinators Organization, Atlanta, Georgia

- 06/05 Symposium on Mandatory Reporting of Healthcare Associated Infections
Association for Professionals in Infection Control and Epidemiology
Baltimore, Maryland
- 06/05 Evaluation and Comparison of Quality Management Systems
Association for Professionals in Infection Control and Epidemiology
Baltimore, Maryland
- 06/05 The ABC's of Regulatory Standards Compliance
Association for Professionals in Infection Control and Epidemiology
Baltimore, Maryland
- 06/05 Creating a Culture of Safety
Association for Professionals in Infection Control and Epidemiology
Baltimore, Maryland
- 03/06 Data Mining
Meet-the-Professor
Society for Healthcare Epidemiology of America
Baltimore, Maryland
- 04/06 CDC/SHEA Fellows Training Course in Epidemiology
Role of the Healthcare Epidemiologist
Risk Factors and Prevention Strategies: Using Data to Improve Outcomes
Atlanta, Georgia
- 06/06 Navigating Risk and Regulation
Association for Professionals in Infection Control and Epidemiology
Tampa, Florida
- 06/06 Professor Poster Rounds
Association for Professionals in Infection Control and Epidemiology
Tampa, Florida

- 06/06 Infection Control Tracer Methodology
Association for Professionals in Infection Control and Epidemiology
Tampa, Florida
- 09/06 CDC/SHEA Fellows Training Course in Epidemiology
Role of the healthcare Epidemiologist
Root Cause Analysis
RCA Practice Session
Atlanta, Georgia
- 10/06 Pay for Performance Panel
Cerner Health Conference
Orlando, Florida
- 02/07 Mandatory reporting of Untoward Events and Nosocomial Infections
Improving Performance and Reducing Complications Symposium
36th Annual Critical Care Congress
Society of Critical Care Medicine
Orlando, Florida

2. Local/Regional Meetings

- 5/96 Tuberculosis 1996
OHEP Great Lakes Family Practice Conference, Detroit, MI
- 5/96 Parenteral Antibiotics in Life-Threatening Infections
OHEP Great Lakes Family Practice Conference, Detroit, MI
- 10/96 Michigan Society for Infection Control
Personnel Health, Lansing, MI
- 10/96 Michigan Society for Infection Control
Expert Panel: Bloodborne Pathogens, Lansing, MI
- 12/96 Internal Medicine Grand Rounds
Bloodborne post-exposure prophylaxis; Varicella zoster vaccination
Western Michigan University, Kalamazoo, Michigan
- 10/97 Save 100: Appropriate use of Antimicrobials
Pontiac Osteopathic Hospital Staff, Pontiac, Michigan
- 5/98 Update on HIV
OHEP: Great Lakes Family Practice Review, Detroit, MI
- 5/98 Hepatitis
OHEP: Great Lakes Family Practice Review, Detroit, MI

- 10/98 Adult Immunizations
Michigan State Medical Society, Southfield, Michigan
- 11/98 Genitourinary Manifestations of HIV Infection
Michigan State University, Consortium of Osteopathic Graduate Medical Education and Training
Urology Consortium, Detroit, Michigan
- 5/99 HIV Update
OHEP Great Lakes Family Practice Review, Southfield, Michigan
- 5/99 Hepatitis C
OHEP Great Lakes Family Practice Review, Southfield, Michigan
- 10/99 Opportunistic Fungal Infections
Michigan Society for Infection Control, Lansing, Michigan
- 11/99 Vancomycin Resistant Enterococci- 10 Year Experience at the Detroit Medical Center
Michigan Infectious Diseases Society/ Michigan Department of Community Health
Public Health Forum, Dearborn, Michigan
- 04/00 Cost-benefit Analysis of Epidemiology Programs
Michigan Society for Infection Control, Lansing, Michigan
- 05/00 HIV/AIDS Update
OHEP Great Lakes Family Practice Forum, Southfield, Michigan
- 05/00 Hepatitis C
OHEP Great Lakes Family Practice Forum, Southfield, Michigan
- 08/00 Hepatitis
WSU Infectious Diseases Update, Crystal Mountain, Michigan
- 08/00 Infections in the Elderly
WSU Infectious Diseases Update, Crystal Mountain, Michigan
- 10/00 Gram-positive Resistant Infections
Internal Medicine Grand Rounds, Millard Fillmore, Buffalo, NY
- 11/00 Antibiotic Resistance
Michigan Society for Infection Control, Ypsilanti, Michigan
- 12/00 Epidemiology of Antibiotic Resistance: National and State Experience
Common Respiratory Illnesses: Diagnostic and Treatment Challenges
Henry Ford Health System, Southfield, Michigan

- 02/01 Community Acquired Pneumonia and Influenza
Michigan Society for Advanced Practice Nurses, Dearborn, Michigan

- 03/01 Antimicrobial Resistance
Michigan OSHA Surveyor Training Course, Lansing, Michigan

- 03/01 Infection Control/Epidemiology
Michigan OSHA Surveyors Training Course, Lansing, Michigan

- 04/01 TB Control Programs: What Works and What Doesn't
Michigan Society for Infection Control, Ypsilanti, Michigan

- 05/01 HIV Update
OHEP Great Lakes Family Practice Update, Southfield, Michigan

- 05/01 Hepatitis
OHEP Great Lakes Family Practice Update, Southfield, Michigan

- 09/01 Patient Safety and Epidemiology: Back to the Future
Michigan Society for Infection Control, Ypsilanti, Michigan

- 09/01 Antimicrobial Resistance and the Michigan Antibiotic Resistance Reduction Coalition
Michigan Society for Infection Control, Ypsilanti, Michigan

- 09/01 Development of a Comprehensive Safety Program
Michigan Hospital Association Patient Safety Conference, Southfield, Michigan

- 10/01 Comprehensive Sharps Injury Reduction Programs
Michigan OSHA Surveyors Training Course, Lansing, Michigan

- 10/01 Tuberculosis Control Programs
Michigan OSHA Surveyors Training Course, Lansing, Michigan

- 10/01 Disclosure of Medical Errors to Patients and Families
Strategies for Promoting Safe Medication Use in Southeastern Michigan, Dearborn, Michigan

- 10/01 Bioterrorism
Strategies for Promoting Safe Medication Use in Southeastern Michigan, Dearborn, Michigan

- 10/01 Adult Immunizations
Michigan Society for Infection Control Basic Training Program, Lansing, Michigan

- 10/01 Antimicrobial Resistance
Michigan Society for Infection Control Basic Training Program, Lansing, Michigan

- 10/01 Isolation Precautions
Michigan Society for Infection Control Basic Training Program, Lansing, Michigan

- 2/02 Bioterrorism

Critical Care and Infectious Diseases Pharmacotherapy: New Advances and Updates, Dearborn, Michigan

- 4/02 Infection Control in Geriatric Populations
Michigan Society for Infection Control, Lansing, Michigan
- 9/02 Eleventh Annual DNA Symposium, Beaumont Hospital
The Utilization of Microbial DNA in Infection Control, Detroit, Michigan
- 9/02 Sexually Transmitted Infections in Women
Michigan Society for Infection Control, Ypsilanti, Michigan
- 9/02 Patient Safety- A Call to Action
MHA Conference, Holland, Michigan
- 9/02 Patient Safety and the Physician's Role
MHA Conference, Holland, Michigan
- 05/03 Patient Safety
Michigan Health & Safety Coalition Conference, Dearborn, Michigan
- 12/03 Infection Control and Patient Safety
Internal Medicine Grand Rounds, Coldwater, Michigan
- 04/05 Disclosure of Adverse Health Outcomes
Michigan Society for Infection Control, Lansing, Michigan
- 04/05 Infection Control Dilemmas: Panel Discussion
Michigan Society for Infection Control, Lansing, Michigan
- 05/05 Disclosure of Adverse Health Outcomes
Association for Professionals in Infection Control and Epidemiology: Wisconsin Chapter
Madison, Wisconsin
- 09/05 Legal Implications of Public Reporting of Healthcare Associated Infection Data
Association for Professionals in Infection Control and Epidemiology: New England Chapter
Springfield, MA
- 10/05 HIV/AIDS Update
Michigan Society for Infection Control, Lansing, Michigan
- 03/06 TB Panel: 2005 CDC TB Guidelines
Michigan Society for Infection Control, Lansing, Michigan

- 05/06 Regulatory Compliance Update for Infection Control Professionals
Rocky Mountain APIC, Salt Lake City, Utah
- 05/06 Sentinel Events in Infection Control
Rocky Mountain APIC, Salt Lake City, Utah
- 05/06 MRSA Panel
Illinois Quality Leadership Conference, Chicago, Illinois
- 06/06 Pay for Performance
BCBSM/ MSCI/ APIC-GD Best Practices Conference, Detroit, Michigan
- 09/06 Pandemic Influenza
Michigan Occupational and Environmental Medicine Association, Traverse City, Michigan
- 12/06 International Standards Organization (ISO): The Detroit Medical Center Return on Investment
Automotive Industry Action Group, Novi, Michigan
- 01/07 Pay for Performance
11th Annual Infectious Diseases and Critical Care Symposium, Dearborn, Michigan
- 02/07 Multidrug Resistant Organisms and Antimicrobial Resistance
Michigan Department of Community Health, Long Term Care Surveyors Training Course
Lansing, Michigan
- 03/07 Multidrug Resistant Organisms
Michigan Keystone HAI Teleconference, Detroit, Michigan

3. Other

- 8/95 HIV/AIDS
Family Practice Grand Rounds, Grace Hospital, Detroit, MI.
- 8/95 Vancomycin Revisited
Internal Medicine Grand Rounds, Harper Hospital, Detroit, MI
- 8/95 Vancomycin Revisited
Internal Medicine Grand Rounds, VA Medical Center, Allen Park, MI.
- 10/95 Hepatitis C
Family Practice Grand Rounds, Sinai Hospital, Detroit, MI.
- 1/96 HIV/AIDS
Family Practice Grand Rounds, Sinai Hospital, Detroit, MI.
- 5/96 Patterns of antibiotic use in rehabilitation facility
Del Harder Research Day - Rehabilitation Institute of MI, Detroit, Michigan
- 8/96 Pneumonia

Critical Care Grand Rounds, WSU, Detroit, MI.

- 4/97 Post-Exposure Prophylaxis
Case management conference, DMC Detroit, MI
- 11/97 The threat of emerging resistant pathogens
Internal Medicine Grand Rounds , DMC Detroit, MI
- 1/98 Genitourinary Manifestations of HIV Infection
Urology Grand Rounds, Wayne State University, Detroit, Michigan
- 6/98 Central Venous Catheter Infections
Hematology/Oncology Grand Rounds, Wayne State University, Detroit, Michigan
- 9/98 Disseminated Fusarium Infections
Hematology/Oncology Grand Rounds, Wayne State University, Detroit, Michigan
- 07/00 Infection Control in Anesthesia
WSU Anesthesia Grand Rounds, Detroit, Michigan
- 10/02 Sexually Transmitted Diseases: Updated CDC Guidelines
Family Practice Grand Rounds, Providence Hospital, Southfield, Michigan
- 01/03 Isolation and Infection Control
Internal Medicine Grand Rounds, Joseph Mercy Hospital, Pontiac, Michigan
- 01/03 Syphilis
Department of Emergency Medicine Grand Rounds, Wayne State University, School of
Medicine
Detroit, Michigan
- 04/03 SARS
Internal Medicine Grand Rounds, Wayne State University, School of Medicine
Detroit, Michigan
- 04/03 SARS
Infectious Diseases Grand Rounds, Wayne State University, School of Medicine
Detroit, Michigan
- 10/03 Emerging Pathogens
Surgery Grand Rounds, Wayne State University, School of Medicine, Detroit, Michigan
- 03/06 Quality Improvement and Regulatory Compliance
DMC Leadership Academy, Detroit, Michigan
- 10/06 Pay for Performance
Internal Medicine Grand Rounds, WSU School of Medicine, Detroit, Michigan
